

EUROPEAN ROULETTE

EUROPEAN ROULETTE consists of a revolving wheel called « roulette » with 37 compartments numbered from 0 to 36; these same numbers are found on the green table layout where players place their bets.

From 1 to 36, half of the numbers are red, half are black. Zero is neither red nor black, but is a neutral colour.

Wagers and payouts

PLEIN (straight)

You bet on a single number..... 35 to 1

CHEVAL (split)

You bet on two numbers at the same time by placing your chip on the line separating the two numbers..... 17 to 1

TRANSVERSALE PLEINE (street)

You bet on three numbers by placing your chip on the left side of a row of numbers 11 to 1

CARRÉ (square)

You bet on four numbers by placing your chip at the intersection of four numbers 8 to 1

QUATRE PREMIERS (first four numbers)

DOUZAIN À CHEVAL (split dozen)

You bet on two dozens by placing your chip at the intersection of two dozen 1/2 to 1

Even money wagers:

- Red/Black: you bet on the color of the winning number..... Even money

- Odds/Evens: you bet that the winning number will be odd or even Even money

- Manque: you bet that the winning number will be between 1 and 18 inclusive Even money

- Passe: you bet that the winning number will be between 19 and 36 inclusive..... Even money

When the zero occurs, all bets placed on “chances simples” (even money bets) are barred by the Croupier and lose half of their value.

The player then has two options:

- He may ask to divide his bet

- He may wait for the next spin, his bet will be freed if it wins

The player may change “chance” and his bet remains barred.

Spoken bets are forbidden
